HIS

2019 11

The diagram illustrates a 1000 bp DNA sequence represented as a horizontal bar divided into 1000 small segments. Ten 100 bp windows are highlighted with thicker borders, starting at positions 100, 200, 300, 400, 500, 600, 700, 800, 900, and 1000. The label 'HIS' is placed below the sequence, centered under the 700 bp window.
