--	--

Timeline visualization showing the number of papers published per year from 1980 to 2019. The timeline consists of 40 horizontal bars, each representing a year. The bars are filled with a light blue color. The year 1996 is highlighted with a darker blue bar. The number of papers published per year is indicated by the length of the bar, with a scale from 0 to 40 papers shown at the bottom.
